Constitutional Area 4 Europa

▼ Spaces for Youth in Need to Live & Play

Netherland Lions, in cooperation with Foundation Forgotten Child, are providing Magic Gardens (for young children) and Chill Inns and Ours (for older youth) in every one of their districts. Over €620,000 was raised for this national gift, which will transform playing and living environments for 50,000 young people.

We Run – We Serve ▲

Promoting WE SERVE with every step, several Lions from Poland have run every year of the Centennial Celebration, collecting funds for children in need. In 2017, they ran from Helen Keller's hometown in Alabama to the Lions Clubs International headquarters in Illinois. With 1,000 co-runners, they have collected US \$70,000, benefiting more than 1,000 children in seven countries.

◀ Cycling Brings Diabetes Awareness

The Tour of Italy lasts for 21 days and crosses much of the country. Italian Lions and Leos were present at stops in 46 communities, inviting spectators to participate in diabetes screening tests. A Lions Clubs car was also part of the tour's race caravan, which was seen by millions of spectators along the route.

▶ A Mountain Top International Meeting

As part of their Centennial Celebration, Lions from France, Italy, and Switzerland decided to meet at the top of Mont Blanc, the highest summit in Europe. The climbers set out on Lions Clubs' 100th birthday, June 7, 2017 and reached the peak two days later. A celebratory festival followed in Courmayeur, Italy.
